FIDUCIARY MANAGEMENT MANDATE

As an experienced fiduciary consultancy in Switzerland, we can professionally and competently take on a mandate for company administration beyond the incorporation. In addition to the day-to-day administration of your corporation or limited liability company, we ensure compliance with company law and business management rules and safeguard your interests.

In the area of company administration, we offer you the following services, among others:

- Takeover of all back office work
- Organization of meetings
- Organization of meetings
- Board of directors mandate and management

Includes free consultation.

Yearly:

CHF 5'500.00

01.07.2022. All prices excluding VAT.
